President's Message

Welcome to Spartanburg Community College! As an SCC student, you join a rich history of educational excellence that began in 1963 with 150 students. Today, over 6,000 students share a common goal of seeking associate degrees, diplomas and certificates that lead to rewarding employment and financial stability.

We are dedicated to helping you accomplish your college and career objectives in a way that works best for you. Whether your goal is education leading to a high-growth, high-demand career field or transferring to a university, SCC offers access to over 100 programs that lead to careers in business, engineering technology and industrial technology, computer technology, health and education. With day, evening, weekend, traditional and online classes at locations in Spartanburg, Cherokee and Union counties, SCC is convenient for recent high school graduates and busy adults who want to begin or advance their careers. Our tuition is the lowest in the region and our program quality is excellent, thanks to dedicated faculty, state-of-the-art classrooms and laboratories and small class sizes. More than 80 percent of new careers today and in the future will require at least an associate's degree, so your SCC education will continue to pay off for years to come.

The purpose of this Student Planner & Handbook is to help you organize your academic responsibilities and keep track of key dates for admissions, financial aid, etc. I encourage you to take advantage of many resources available to help you achieve your academic and career goals – from advising, student support services to career planning and placement. I also hope you can engage in the many student activities SCC offers, including student organizations aligned with your chosen major and career field.

We are committed to your success – while a student on our campus, after graduation and as a working professional in our community.

Thank you for choosing Spartanburg Community College. We look forward to assisting you in achieving your college and career goals. Our mission is to ensure your success.

Student-Right-To-Know: As defined by federal Student-Right-To Know (SRTK) legislation, Spartanburg Community College's graduation rate for the 2008 cohort year is 11.1%, and transfer-out rate for 2008 cohort year is 15.7%. It is important to note that the SRTK is a "cohort" study. It identifies the students who are first-time, full-time, and degree-seeking in the fall semester of the cohort year. The graduation rate is the percentage of students in the cohort who graduate within 150% of the expected time to graduation (typically within three years for a two-year program). While SRTK has merit in that it provides a standardized measure of effectiveness, it is limited in that the cohort is small when compared to the typical community college or technical college population. The 4-year Average Student-Right-To-Know Completion or Graduation Rate Calculation for Spartanburg Community College is 13%.

The 4-year Average Student-Right-To-Know Transfer-out Rate is 14.1%

Student Handbook Definitions

Academic Advising

Academic advising is a process in which the student and assigned academic advisor meet to help establish goals which are consistent with the student's career, academic and personal needs. It is recommended that each student meet with his/her advisor prior to registering for the next term.

Academic advisors maintain scheduled office hours during each term. Any student who needs to change a class schedule, drop or add a course, withdraw from the College, or ask any additional questions about courses should contact their assigned academic advisor.

Academic Computer Services

Internet access is provided as an additional research resource to students. Use of the Internet should be consistent with the philosophy, goals and objectives of the College as an educational and socially responsible institution within the community. Individuals abusing this resource are subject to the normal disciplinary action. Broad areas of abuse include, but are not limited to, criminal activity, personal profit, displaying harassing or obscene material and copyright violations. Access to the Internet is a finite resource and can be limited by the College as it deems necessary.

Academic Misconduct (See Student Code)

Academic Standards of Progress

To remain in good standing (meeting the minimum term GPA requirement) a student enrolled in curriculum classes must maintain a term and cumulative grade point average (GPA) of 2.0. Students who fall below this standard will be subject to institutional intervention strategies.

Student academic standings are assessed and updated at the end of each term of enrollment. Grade changes received after the academic standings have been determined are not assessed until the end of the next term of enrollment. Any exceptions (ex. documented extenuating circumstances) will be reviewed on a case-by-case basis.

Intervention Strategies:

Notification – A student is notified in writing by the Vice President of Student Affairs of his or her academic warning, academic probation and academic suspension status when his/her term GPA falls below 2.0. Under-performing students are encouraged to meet with his/her advisor or the Advising Center Advisor to develop written strategies to improve their academic performance except when returning from academic suspension where the recommendation is a mandatory requirement.

Academic Warning – Students whose term GPA is less than 2.0 after the academic warning will be placed on academic probation for the next term of enrollment. Students whose term GPA is 2.0 or higher after the academic warning but have a program GPA less than 2.0 will remain on academic warning. Students whose term GPA is 2.0 or higher after the academic warning term and have a program GPA of 2.0 or higher will be removed from academic warning.

Academic programs with additional academic requirements publish those requirements in the departmental handbook that is provided to students upon enrollment.

Academic Probation – Students whose term GPA is less than 2.0 after academic probation will be placed on academic suspension. Students whose term GPA is 2.0 or higher after the academic probation term but have a program GPA less than 2.0 will remain on academic probation. Students whose term GPA is 2.0 or higher after academic probation and have a program GPA of 2.0 or higher will be removed from academic probation.

Academic Suspension – Students removed from academic suspension and allowed to register are placed on academic probation and are subject to academic suspension again if they fail to earn at least a 2.0 term GPA during the next period of enrollment

Add/Drop Period

The add/drop period is the first five instructional days of the fall, spring and full summer terms. The add/drop period for the FlexStart terms in the fall and spring and the summer is the first two-three (2 – 3) instructional days of the term, depending on the term. During the add/drop period students may drop courses without academic penalty and students may add only courses that have not yet met. Admittance to courses that have already met (including hybrid and online) is at the discretion of the department chair. Students who register for a course but who do not attend a face-to-face class or log into and actively participate in an online course before the published deadline will be dropped from the course for not attending. No grade will be assigned for courses dropped for no attendance and a full refund of tuition excluding the enrollment fee will be processed. Courses dropped during the add/drop period will not appear on transcripts. Students may be reinstated in a class at the discretion of the department chair. During the first 75 percent of the course, a student may drop a class through WebAdvisor or go to the student records office to complete a drop form. A grade of W will be awarded. A student or an instructor cannot initiate a drop during the last 25 percent of the course except in extenuating circumstances, with documentation approved by the appropriate department chair and academic dean. Go to the SCC website (www.sccsc.edu, Quicklinks – Transcripts & Records) to review the drop procedure for students.

Campus Security Force - Twenty-four hour-a-day campus security is contracted to an outside security agency. All officers are registered with the South Carolina Law Enforcement Division. Under South Carolina Code Law, Title 40, Chapter 17 these officers have the same authority and power as sheriffs to make an arrest of any persons violating or charged with violating any criminal statutes of this state. SCC campus police and contracted security force are armed and conduct foot and vehicular patrols on the campus. All officers carry portable radio-telephones which put them in direct contact with county police, fire, rescue and EMS.

Alcoholic beverages, illegal drugs, firearms, or dangerous weapons of any type are not permitted on campus. Note: According to SC code of laws 16-23-420, it is unlawful for a person to possess a firearm of any kind on any premises or property owned, operated, or controlled by a private or public school, college, university, technical college, other post-secondary institution, or any publicly owned building, without the express permission of the authorities in charge of the premises or property. These regulations do not apply to a person who is authorized to carry a concealed weapon pursuant to Article 4, Chapter 31, Title 23 when the weapon remains inside an attended or locked motor vehicle and is secured in a closed glove compartment, closed console, closed trunk, or in a closed container secured by an integral fastener and transported in the luggage compartment of the vehicle. The physical plant department maintains the College's buildings and grounds with a concern for safety and security. Physical plant's personnel inspect facilities regularly, make repairs affecting safety and security promptly, and respond

immediately to reports of potential safety and security hazards such as broken windows and locks and outside lights. The campus is well lit with outside lighting, particularly in areas with heavy landscaping and trees and along pathways frequently traveled by students.

Student Responsibility - The cooperation and involvement of the students in a campus safety program are absolutely necessary. Students must assume responsibility for their own personal safety and the security of their belongings by taking simple, common sense precautions. For example, students should walk in well-lit areas at night. Bicycles and motorcycles should be registered with campus security and should be secured with a sturdy lock.

Students with cars must keep their vehicles locked at all times, and valuables should be locked in the trunk. Students should report any suspicious activity to the staff or security.

Potential criminal actions and other emergencies on campus can be reported directly by any student, faculty/staff member, or employee to the SCC campus police by dialing extension 4911 or 592-4911 from outside the campus or on the Cherokee County Campus by dialing extension 2711 or 206-2711 from outside the campus.

Classroom/Lab Conduct and Expectations

While there are many informal situations in which people have neither the desire nor the right to prescribe how others ought to behave, a college class/lab environment requires a higher level of courtesy than many people exercise in ordinary public places.

In an educational environment, each instructor has the responsibility to maintain a class/lab environment conducive to student learning. Discussion of all views relevant to the subject matter is recognized as necessary to the education process, but students do not have a right to infringe on the freedom of instructors to teach or the right of other students to learn. The College encourages students to express their opinions and ideas in an orderly manner, since a free exchange of views enhances the learning process. However, the College will not condone verbal combat or verbal abuse among students and instructors. Students are expected to comply with the Student Code. The instructor has an obligation to make students aware of rules for the class/lab and to inform students if they are violating these rules. If a student behaves disruptively in class, lab or field trip after the instructor has explained the unacceptability of such conduct; the instructor may dismiss the student and refer the matter to the vice president for student affairs or designee.

Spartanburg Community College, a higher education institution for adult learning, offers programs/courses designed for adult learners. It fosters a partnership between instructors with the desire to teach and students with the desire to learn. In order to create an appropriate environment for teaching and learning, students must show respect for their instructors and for their fellow students. In other words, students are to conduct

themselves maturely as they work toward achieving serious goals in an institution of higher learning.

Listed below are guidelines for class/lab behavior that the College has established to ensure that the learning environment is not comprised:

1. Attendance

Students are expected to be in class the entire class time. They should not enter late or leave early. Rare exceptions may be made, particularly in emergency circumstances, but students should be prepared to explain their tardiness to the instructor after class. Likewise, students should explain before class any need to leave early.

2. Absences

Students should inform the instructor in advance if they know they are going to miss class. They should reserve absences for emergencies. Also, students must take responsibility for finding out what material they missed and for getting assignments from other students. They should not expect that they will be allowed to make up work, such as quizzes or tests, after an absence. Instructors are not responsible for re-teaching materials students miss when they are absent.

3. Conversation

Students should not carry on side conversations in class (or pass notes).

4. Other Activities

Students should not work on other activities while in class. This includes homework for other courses or other personal activities.

5. Internet

In classes where Internet access is provided, students may use the Internet for valid, academic purposes only. They may not access other sites unrelated to the course.

6. Sleep

Students may not sleep in class; they are expected to be attentive and focused.

7. Attitude

Students are expected to maintain a courteous/civil attitude in class. They may not use inappropriate or offensive language, verbal or non-verbal, to convey their attitude regarding the course, the instructor, assignments or fellow students.

This includes, but is not limited to, making fun of others, disrupting class, shouting, slamming books, glaring, rolling eyes, speaking in a disrespectful tone of voice, or refusing to carry out assignments.

8. Profanity and Offensive Language

Students may not use profanity or offensive language in any public area (to include canteens/break areas) on campus.

9. Cell phones, pagers/beepers, MP3 Players, CD's, Headphones and Electronic Devices

Students may not receive or send telephone calls, text messages, or pages during class. They are responsible for turning off cell phones and beepers upon entering class. (An exception will be made for public service employees on call.)

Unless required for a course, MP3 players, CD's and headphones are not allowed in any class/lab at any time.

10. Guests and Children

Students may not bring unregistered friends or children to class.

11. Food, Drink, Tobacco Products

Food and/or drink may be allowable in class at the discretion of the instructor; however, use in lab areas may be more restrictive. It is the student's responsibility to ensure that any trash is disposed of properly.

No one may use tobacco products in any building at SCC. Smoking is allowed in designated areas only.

12. Physical Disruptions and/or Physical Altercation

No one may, under any circumstances, provoke or engage in physical altercations of any nature. This includes harassment, grandstanding or threats of any kind.

13. Individual Business

Students who need to speak privately with an instructor should not attempt to do so during the class period. Students are advised to make appointments with instructors during their scheduled office hours.

The guidelines listed above are not meant to be an exhaustive list. SCC developed this list to address some of the more commonly seen infractions. The College expects every student to conduct himself/herself in an appropriate manner. Violations will be referred to the vice president of student affairs for disciplinary action as deemed necessary.

Tips for Success

- Come to class/lab prepared to work. This includes bringing materials needed for class/lab (textbook, workbook, computer disks, writing materials, notebook, etc.)
- Take notes
- Complete assigned readings and other homework on time
- Contribute in class as appropriate
- Focus your attention on the subject at hand

Children on Campus

The College does not allow students' children to stay on campus unsupervised or in classrooms or in labs while students are attending classes. Campus and/or community activities and events sponsored by the Spartanburg Community College student life office are not open to the public, including children of SCC students, faculty or staff, unless otherwise indicated on event announcements. Please refer to College Procedure II-90.1, Children in the Workplace and/or classrooms, for complete guidelines.

Class Attendance

Students are responsible for punctual and regular attendance in all classes, laboratories, clinicals, practica, internships, field trips and other class activities. When illness or other emergencies occur, the student is responsible for notifying instructors and for completing missed work if approved for late submission by instructors.

Tardiness

Students are tardy if not in class at the time the class is scheduled to begin.

Course syllabi and, if applicable, program handbooks reflect attendance and tardiness policies.

Instructors maintain attendance records. However, it is the student's responsibility to withdraw from a course. A student who stops attending class and fails to initiate a withdrawal will remain on the class roster. A student who does not complete an assignment, test, or final exam in the course will receive a zero for each missing grade and the final course grade will be calculated accordingly.

Absences for Religious Holidays

Students who are absent from class in order to observe religious holidays are responsible for the content of any activities missed and for the completion of assignments occurring during the period of absence. Students who anticipate their observance of religious holidays will cause them to be absent from class and do not wish such absences to penalize their status in class should adhere to the following guidelines:

(1) Observance of religious holidays resulting in three or fewer consecutive absences: Discuss the situation with the instructor and provide written notice at least one week prior to the absence(s). Develop (in writing) an instructor-approved plan which outlines the make up of activities and assignments.

(2) Observance of religious holidays resulting in four or more consecutive absences: Discuss the situation with the instructor and provide the instructor with written notice within the first 10 days of the academic term. Develop an instructor-approved plan which outlines the make up of activities and assignments.

Class Rings

Class rings may be ordered by graduates through the bookstore at anytime during the year. Additionally, a ring representative visits the campus each term to take student ring orders, often at substantial savings or discounts to the student. Notices to announce ring day are posted on bulletin boards and mailed to all students. A display of the class rings is always located in the bookstore. Graduation announcements may be ordered prior to graduation with the college ring representative approximately eight weeks prior to graduation.

Copyright

Spartanburg Community College expects all members of its academic community, including students, to respect copyright and to adhere to the provisions of the United States Copyright Law (Title 17, United States Code and its subsequent amendments). Except as allowed by this code, it is a violation of law for persons to copy, distribute, perform, digitally transmit (in the case of sound recordings) or to create a new work based upon a copyrighted work without the permission of the copyright owner. Examples of copyrighted works include printed materials, sound recordings, video recordings, visual art, computer software, multimedia and websites. Copyright violations may also incur criminal and civil penalties.

For more information related to copyright and what types of uses are allowed, refer to the SCC copyright website at www.sccsc.edu/about/scccopyright.

Course Overload Policy

Students may not normally enroll in more than 18 semester credit hours. Students who have a 3.0 GPA may enroll in more than 18 semester credit hours only with permission of the department chair or academic dean. During the summer, students may not enroll in more than 15 total semester credit hours unless specifically required in their academic program. This total includes all classes taken during all summer terms in a single year. Students who have a 3.0 GPA may enroll in more than 15 semester credit hours during the summer only with permission from the department chair or academic dean. Students will be charged an overload fee for each hour taken above 15 credit hours per term, at an hourly rate based upon their residency status, as defined in the Registration and Enrollment Guide.

Dean's List

To qualify for the dean's list, students must:

- have declared a major
- be enrolled in at least 12 semester program credit hours for fall or spring semester or nine semester program credit hours in the summer (excluding audited courses)
- have earned a grade point average of 3.5 with no course grade lower than a "C". A grade of "I" automatically excludes students from the dean's list.

Desire2Learn (D2L)

Desire2Learn is SCC's current learning management system. It is used to access online courses and provide supplements for traditional courses that are offered on campus. D2L provides students access to course syllabi, online readings, multimedia, links to related Internet sites, calendars and online tests. Students can interact with instructors through e-mail, instant messaging, live chat, and online discussions. Orientation sessions are scheduled at the beginning of each semester and are also available online. The SCCOnline provides technical support, orientation and training for students and faculty who use D2L.

Students access D2L through the college portal and log into D2L using their portal username and password. It is highly recommended that students use the System Check link to ensure that their computers meet minimum technical requirements for D2L. Current technical requirements and other information about D2L can be found on the SCCOnline website at <http://online.sccsc.edu>. For technical support, contact SCCOnline at (864) 592-4961, (888) 364-9080 (toll free), or e-mail to scconline@sccsc.edu.

Emergencies

Health Services

As a nonresidential college, SCC expects students to secure medical services through their private physician. However, it is the policy of SCC to provide all students with basic accidental injury, accidental death and dismemberment insurance.

Accidental Injury & Illness

In case of an accident, students are to seek out medical treatment they feel necessary. The College does not provide emergency supplies or a first aid room. First aid kits are available in divisional offices, laboratories and shops for treatment of minor cuts and

injuries. Injuries occurring at any Spartanburg Community College campus sites should be reported to the SCC campus police at (864) 592-4911.

A medical problem beyond that of a minor cut, injury or illness should be handled as follows:

1. Contact the College switchboard operator (by dialing "0") who will contact campus security and EMS. After hours and weekend medical problems should be referred directly to campus police (864-592-4911).
2. The campus police officer will provide emergency first aid until EMS arrives.

Upon the student's return to the College he/she must complete an insurance claim form, available in the vice president of business affairs, and submit invoice(s) received for treatment sought relating to the accident. The completed insurance claim form and invoice(s) will be submitted, for claim determination, to the insurance carrier by the office of the vice president of business affairs.

Reporting Crimes, Emergencies

Spartanburg Community College's campus police office furnishes portable radio-telephones to all officers on duty at the College. Potential criminal actions and other emergencies can be reported directly to the officers on duty by dialing campus extension 4911 or 0 for campus operator or by activating any emergency call-box on campus or by dialing extension 2711 on the Cherokee County Campus. Response to a call will be immediate and the security officers have the authority to make an arrest, if necessary. All crimes and emergencies should be reported to campus police or security, who will report to the appropriate agencies.

Enrollment and Registration Guide

The *SCC Registration Guide* is a publication that provides a valuable source of information that will answer most, if not all, questions related to registration and the services available to students. Copies of the publication are found in the SCC Admissions Center and online at www.sccsc.edu/resources/publications.aspx.

Evaluation of Instruction

Spartanburg Community College seeks the input of students to improve its services and instructional programs. Each semester, students have the opportunity to evaluate the courses, instructors, facilities, equipment and other aspects of the instructional process through a formal evaluation instrument. As part of this evaluation, students rate their satisfaction with the availability of their instructors (information requested every semester) and advisors. If you do not have an opportunity to complete an evaluation in every class, please contact your advisor, department chair or academic dean.

Exemption Policy

Exemption Policy

The College requires that students must complete a minimum of 25 percent (25%) of the total hours through instruction offered by the College in order to receive a certificate/diploma/degree from Spartanburg Community College (SCC). Students may earn exemption credit for courses excluding this 25 percent (25%) requirement. Departmental transfer/exemption credit may be more restrictive depending on the program of study. The College grants exemption credit for program requirements on the following basis:

American Council on Education College Credit Recommendation Service

The College recognizes the American Council on Education College Credit Recommendation Service. The College will evaluate course work for exemption credit if the course content is comparable to the content of a program course or courses offered by the College. The student must present documentation of course completion through an American Council on Education approved agency before the College will evaluate the course work.

Advanced Placement (AP)

Students may receive exemption credit for AP courses completed at the secondary level. The College awards exemption credit for AP Examination scores of 3 or higher. The College must have on file an official copy of the AP Examination score report to award credit.

Articulation (Technical Advanced Placement, TAP)

Students may receive exemption credit for program requirements through the validation of competencies gained at secondary schools. Students seeking exemption credit through articulation should contact the secondary school department chair or counselor or the College program department chair. The program department chair must validate student competencies designated in articulation agreements between the College and secondary schools. Validation of student competencies may include written examinations or other assessment methods.

College Level Examination Program (CLEP)

Credit for subjects in which students are knowledgeable, but have no class standing, can be gained through successful completion of the College Level Examination Program (CLEP) tests. Spartanburg Community College does not administer CLEP exams but will accept CLEP exams scores administered by other institutions if scores meet minimum standards. SCC does not give credit for CLEP general examinations.

Credit by Examination

Students may receive exemption credit for previous academic work or relevant work experience through formal written or practical examinations. Students may not attempt credit by examination for courses in which they have been previously enrolled (either for credit or audit) or in which they have previously attempted credit by examination. Students seeking exemption credit by examination should contact their program department chair to discuss eligibility. The program department chair will provide the proper authorization form and refer the student to the subject-area department. The department chair of the area in which the student seeks credit will determine eligibility and schedule an exam date. After an exam date has been scheduled, the student should pay the appropriate fee at the business office. The student must present the authorization form and the receipt to the subject-area department chair.

Experiential Learning

Students may receive exemption credit for knowledge acquired through work or other experiences external to academics. A student seeking credit for experiential learning should contact his/her program department chair who will determine the student's eligibility and provide the authorization form. The teaching faculty in the subject area in which credit is sought will determine the appropriate method of evaluation and the time frame for completion. The department chair determines the credit awarded through experiential learning. Methods may include a portfolio or other documentation of acquired knowledge. Once the evaluation has been scheduled, the students should pay the appropriate fee at

the business office. The authorization form and the receipt should be presented to the faculty providing the evaluation. Students may receive credit for a maximum of 25 percent (25%) of required program semester hours for experiential learning. Spartanburg Community College makes no distinction between traditional and non-traditional students in the admissions process. Therefore, applicants who meet all College admissions requirements will be eligible to apply for experiential learning credit. Students who have completed qualified courses in the College's Corporate & Community Education Division may apply for college credit through experiential learning. Students should contact the Corporate & Community Education Division for information and a list of qualified courses.

International Baccalaureate Credit

Students (first time freshmen) may receive SCC credit for scores of four (4) or higher on selected International Baccalaureate Examinations. The amount of college credit awarded for an IB course will be equivalent to the credit hour value of the college course for which the IB credit is being accepted. The College must have on file an official copy of the IB Examination score report in order to award credit.

Mixed Enrollment Courses

Spartanburg Community College may choose to enroll both credit and Corporate & Community Education (C&CE) students in the same course. Please contact C&CE for additional information if you are enrolling in a credit course as a continuing education student.

Service Members Opportunity Colleges (SOC)

Spartanburg Community College is a member of the Service Members Opportunity Colleges (SOC). Students having academic credit earned at other institutions while on active duty will have their credit evaluated on a case-by-case basis.

Professional Certifications

Students may receive exemption credit for professional certification. For each professional certification, the appropriate department chair will determine the SCC course equivalencies and corresponding certifications required for credit. The student should notify the department chair of the program to which the exemption credit is to be applied upon enrolling at SCC. The student must submit his or her original professional certification to the appropriate department chair. The department chair will complete the authorization form, attach a photocopy of the certification or credential and submit it to the records office.

Fees

No fee is charged to post credits to the transcript for advanced placement credit or credit earned through secondary articulation. Students attempting to earn credit through exemption exams or experiential learning must first be formally accepted by Spartanburg Community College and pay a non-refundable exemption test fee of \$50. Exceptions to this will be handled on a case-by-case basis. Students who have completed qualified continuing education courses at the College may apply for experiential learning credit and pay a processing fee.

Bill – Active Duty Educational Assistance Program (Chapter 30), New G.I. Bill – Selected Reserve Educational Assistance Program (Chapter 1606), Survivors and Dependents (Chapter 35), Vocational Rehabilitation (Chapter 31), Reserve Educational Assistance Program (Chapter 1607) and the Post-9/11 Veterans Education Assistance Act of 2008 (Chapter 33).

The U.S. Department of Veteran Affairs is the only agency that can determine eligibility for and award this benefit. To determine eligibility, call the VA Regional Office at (888) 442-4551. Then, contact SCC's office to obtain the appropriate forms for certification.

Satisfactory Academic Progress

Students receiving financial assistance through a federal program or S.C. Need Based Grant must be making satisfactory progress toward a degree, diploma or certificate. The financial aid office must monitor the progress of all students to ensure that they are making satisfactory progress toward completion of their program in a reasonable amount of time. This policy is in addition to the academic standards required by the College. The cumulative review determines the student's eligibility for financial assistance based on his or her academic history. Whether the student has received financial assistance previously is not a factor in determining eligibility. The complete policy is published in the SCC catalog and is available in the financial aid office.

Communication With Students

The majority of communications from the financial aid office will be sent to your SCC e-mail account. Through the SCC Portal, you must review your e-mail and announcements regularly to ensure you have the latest information about your financial aid status.

Fire Drills

Fire drills will be held periodically without advance notice. Fire alarm boxes are strategically located throughout the College. When a fire alarm is engaged, a continuous long blast will occur. The below evacuation procedures should be followed:

1. All persons leave the building at the sound of the alarm.
2. Students should leave by the nearest designated exit.
3. The instructor should secure windows and doors before leaving.
4. All traffic should move to the right of the hallways in all buildings.
5. Students should be cautioned not to run or shove when exiting.
6. Students should go a minimum of 100 feet from the building and wait for notice to return to class.
7. All instructors should inform their students of the fire exit plan at the beginning of a semester and periodically thereafter.

Fundraising Projects

Only currently established campus clubs and organizations may apply to conduct approved fundraisers on any SCC campus. Student organization representatives must complete a fundraising request form and meet all applicable requirements and deadlines. Forms and guidelines are available in the Student Life Office, Student Services Building, Room 159 and with all campus club/organization advisors. Instructions for advertising campus fundraisers will be shared with the submitter upon final approval. Individuals and groups interested in advertising community fundraising projects to SCC students should contact the Student Life Coordinator at studentlife@scsc.edu or (864) 592-4752 for more information.

Grade Correction

If a student believes that a grade was assigned in error, the student must request a review of the grade by the instructor within one term of the term for which the grade was assigned.

Grade Point Average

1. Multiply credit hours attempted by grade points* or quality points for course points.
2. Add credit hours attempted for the total credit hours attempted.
3. Add course points for total course points.
4. Divide total course points by total credit hours attempted for GPA.

Example:	Credit			Course	Grade		Course
Hours	Grade			Grade Points			Points
ECO 101	3.0	B	=	3	(3.0 X 3)	=	9.0
ENG 101	<u>3.0</u>	C	=	2	(3.0 X 2)	=	<u>6.0</u>
	6.0						15.0
GPA =	<u>Course Grade Points</u>			=	<u>15.0</u>	=	2.5 GPA
	credit hours attempted				6.0		

Grading System

Spartanburg Community College uses the following system of grades:

		<i>Quality Points</i>	<i>Used in GPA Calculation</i>	<i>Credit Hours Awarded</i>
A	Excellent	4	Yes*	Yes

* Zero-level transitional studies course grades are not used in grade point average (GPA) computation.

Students are required to show identifications cards to any campus official upon request, which includes campus police officers. Additionally, enrolled students are encouraged to visit the Student Life tab of the SCC Portal for information about available discounts from local and national merchants and service providers.

Insurance

The College carries an accident insurance policy that covers students while on campus and traveling directly and uninterruptedly between home and scheduled classes and participating in activities sponsored and supervised by the College. Coverage excludes accidents that occur as a result of participation in organized sports. Maximum benefit coverage includes payment for medical expenses - \$5,000, accidental death - \$1,500, and dismemberment - \$1,500. Injuries should be reported to the SCC campus police office (592-4911) within forty-eight (48) hours of the accident. New Student Orientation

New Student Orientation is a valuable tool that introduces students to the variety of support services and resources available at SCC. In addition to information received at New Student Orientation, students may access vital information in their SCC Enrollment & Registration Guide that contains more specific information related to registration. This guide is provided at the time of admissions to the College and can be accessed online at www.sccsc.edu/resources/publications.aspx. Students can learn more about SCC student resources and services at www.sccsc.edu/studentlife/orientation.

Online Course Attendance Statement

Students who fail to meet this attendance requirement by the end of the drop/add period will be dropped from the class by the instructor.

Parking Rules

SCC has well-marked parking areas with ample space for everyone to park. Do not park against curbs, over yellow lines, on the grass or on triangles at the end of lanes. Do not

use or block fire lanes, maintenance parking areas or loading zones. Students, faculty and staff are asked to observe the following rules:

Handicapped Accessibility Parking

All state DMV issued handicap placards are honored on campus. Designated spaces are located near each building.

Vehicle Registration

Students wishing to bring a car or other vehicle on campus are required to have a current parking permit attached to the front, right window on their vehicle. Permits will be valid from August-August each year. (This applies to all curriculum, transitional studies and adult education students.) Any curriculum, transitional studies and adult education student who loses his/her permit may apply for a new permit.

Students who permanently change to a new or different vehicle must come by the public safety office and fill out a new vehicle registration card. There is no fee for this service.

Student Parking

Students are required to park in the student parking areas. Students are not allowed to park in areas designated for faculty/staff or visitors.

Visitor Parking

All visitor parking spaces are clearly marked. Students are not allowed to park in visitor parking spaces.

Payment of Fees

Payment Due – All tuition and fees are payable before scheduled deletion dates, or if registration occurs after the deletion date, before the first day of classes. A student may not attend class until financial obligations are resolved. All equipment, library books, and other college-owned property must be returned when due. A student's academic award (degree, diploma, or certificate) and transcript will not be released until all fees are paid and college-owned property has been returned.

Payment Methods – The College accepts cash, first-party checks, e-checks, money orders, and cashier's checks for payment of all fees. Students may also charge fees to American Express, VISA, MasterCard and Discover credit or debit cards. Credit and debit card and e-check payments may be made online via WebAdvisor. A \$75 late registration fee will be assessed for registration done after scheduled deletion date.

Returned Checks – The College assesses a \$25 service fee per occurrence on all checks returned by the bank for any reason. The service fee is in addition to any fee charged by the bank. Checks are not sent to the bank a second time. Dishonored checks are sent to the Magistrate for collection after fourteen days. Students will be placed on restriction from classes for non-payment. Checks will not be accepted from students who have written more than two non-sufficient checks.

The remaining balance is payable in two payments on dates determined according to the academic calendar and included in the agreement.

A \$50 late fee will be applied for each payment not received by the due date listed on the payment plan agreement signed by the student. The amounts of the payments and due dates of the payments are pre-determined and are not negotiable.

Re-Admission Requirements

Students who are not enrolled at SCC for three consecutive semesters (including summer) and who wish to re-enroll must reapply for admission. Students who want to reapply to the same program must re-enter under the current program guidelines. These guidelines may affect the applicability of completed credit hours for the program and the total credit hours needed for program completion.

Students who have attended another institution during the interim must submit an official transcript to the admissions office. Individuals with financial obligations to the College must resolve these obligations before they will be allowed to register for classes.

Record Changes

To ensure proper record-keeping and mailing procedures, each student is required to report any changes in name or address to the records office.

Records and Transcripts

General

Spartanburg Community College maintains accurate and confidential student records and recognizes the right of students to gain access to their academic records in accordance with the Family Educational Rights and Privacy Act (FERPA) of 1974 (Buckley Amendment) and College policy. Amendments to FERPA under section 507 of the U.S. Patriot Act of 2001 also apply to the release of student records.

Release of Student Records

Transcripts are released only with written permission of the student. Students may request that copies of their transcripts be sent to individuals or institutions, or they may secure copies for their own use. The College does not forward transcripts received from high schools and other colleges or provide copies of transcripts to the student.

A student has the right to review his or her own official record and may question any inaccurate or misleading information and request correction or deletion of that data from the files. If an error cannot be readily substantiated, the student may refer to the Student Grievance Procedure for due process procedures. If the grievance committee denies the student's request, he or she will be permitted to append a statement to the permanent record in question, showing the basis for his/her disagreement with the denials.

Parents of a dependent student have right of access to that student's record, provided they can show proof of dependency (according to Internal Revenue Code of 1954) and sign the appropriate affidavit, available in the records office.

Directory Information

The following directory information may be made available to the public by the College unless students notify the records office in writing by the third week of the term that such information is not to be made available.

1. Student's name
2. Major field of study or program
3. Dates of attendance (enrollment status - full-time, part-time)
4. Awards earned
5. Photographs

Transcripts and information not specified under "directory information" is released only with written permission of the student.

Student Recruiting Information

The Omnibus Consolidated Appropriations Act 1997, which includes the Solomon Amendment, requires institutions receiving Title IV Campus-Based Funds to report the following directory information on students 17 years of age or older, upon request, to the military:

- Name
- Address
- Telephone listing
- Date and place of birth
- Level of education
- Academic major
- Degrees received
- The educational institution in which the student most recently was enrolled

If a student desires that the above information not be released, he or she should request a non-disclosure form in the records office within the first five days of the term.

U.S. Patriot Act of 2001

The U.S. Patriot Act of 2001 permits educational institutions/agencies to disclose "personally identifiable" information without the student or parent consent. It is not necessary to keep a record of the disclosure or to notify the student or parent of the disclosure.

Students may request copies of their transcripts be sent to individuals or institutions, or they may secure copies for their own use. The College does not forward students' transcripts received from high schools and other colleges.

This recent amendment to FERPA permits educational agencies and institutions to disclose, without the consent or knowledge of the student or parent, personally identifiable information from the student's educational records to the Attorney General of the United States or his or her designee.

SCCOnline

SCCOnline, the College's distance learning program located in the Tracy J. Gaines Building, provides students with alternative ways of taking college credit courses. Online courses cover the same content as on-campus courses, but give students flexibility in where and when they work on their courses. SCCOnline courses are included in the college course schedule, and the registration process is the same as on-campus courses.

Students may choose to take their entire degree online and combine on-campus and online courses to meet their academic requirements. Each semester more than 100 online course sections are offered. SCCOnline online degree options include the Associate in Arts and Associate in Science for students who plan to transfer to a four-year college or university, as well as Business Management, Management with Fire Service Electives, Management with marketing Electives, Sign Language Interpreter Training, and Palmetto Professional Landscape Certificate. Orientation sessions are scheduled at the beginning of each semester and are also available online.

SCCOnline also broadcasts classes to off-site locations including the SCC Cherokee County Campus in Gaffney, the SCC Tyger River Campus in Duncan and to other technical colleges across the state. Broadcast classes are similar to transitional classes: the instructor and students on the central campus interact with off-site students through two-way audio and video links. Broadcast classroom on the SCC center campus are located in the Tracy J. Gaines Building, room G-12; on the Tyger River Campus in the Tyger River Building, room 105; and on the Cherokee County Campus in the Harvey S. Peeler, Jr. Academic Building, Room 108.

The South Carolina Clean Indoor Air Act of 1990 became state law effective August 1, 1990. The purpose of this act as expressed in the text is "...to accommodate the needs of nonsmokers to be free from exposure to tobacco smoke within public indoor places..." The act restricts smoking in public schools and government buildings. This act is applicable to Spartanburg Community College

In compliance with this act, there are no designated smoking/tobacco use areas in any building, and smoking/tobacco use is not permitted in any campus building. Smoking or use of tobacco products is also prohibited within 25 feet of all building entrances; however, there are several designated smoking/tobacco use areas outside the buildings. 7. Student Affairs provides counseling and referral services for students who may have problems with drug/alcohol abuse.

Student Code and Grievance Procedures

SCC students are members of both the community at-large and the academic community. As members of the academic community, students are subject to the obligations which accrue to them by virtue of this membership. As members of the larger community of which the College is a part, students are entitled to all rights and protection accorded them by the laws of that community. Students are also subject to all laws, the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instances, College discipline will be initiated only when the presence of the student on campus will disrupt the educational process of the College. However, when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations. When students violate College regulations, they are subject to disciplinary action by the College whether or not their conduct violates the law. If a student's behavior simultaneously violates both College regulation and the law, the College may take disciplinary action independent of that taken by legal authorities.

Student Refund/Withdrawal/Federal Return of Funds

It is the policy of Spartanburg Community College that students or sponsoring agencies/programs receive a fair and equitable refund of institutional charges if a student withdraws from the College or reduces the number of credit hours to below 12 credit hours. Federal financial aid recipients are defined as those students who receive Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), and/or a Federal Stafford Loan. Institutional charges are defined as all charges for tuition and fees, books, supplies and required course materials purchased with federal financial assistance at the Book Inn.

I. Official Withdrawal

A student's withdrawal date is defined as the actual date the student began the College's official withdrawal process. To officially withdraw from the College, a student must contact the registrar's office and complete add/drop/withdrawal form requesting the withdrawal.

A federal financial aid recipient who does not officially withdraw from the College will be considered as having completed 50 percent of the semester for calculating the amount of

aid to be returned to the federal government based on Section III and will not be eligible for a refund based on the College's refund policy outlined in Section II.

II. College Refund Policy

To receive a refund of institutional charges, a student must officially withdraw from the College as outlined in Section I or reduce the number of credit hours to below 12 credit hours. A federal financial aid recipient who is eligible for a refund will have the refund amount applied toward the amount the student owes the College based on the return of funds policy outlined in Section III.

The refund percent is based on the date the completed add/drop/withdrawal form is received by the registrar's office. Institutional charges for a semester will be refunded at the following rate:

Fall Term and Spring Term

<i>Refund Percent</i>	<i>Withdrawal or Net Reduction of Credit Hours</i>
100%	1st - 8th calendar day of the term
75%	9th - 14th calendar day of the term
50%	15th - 19th calendar day of the term
0%	after the 19th calendar day of the term

If the calculated refund dates fall on a day that the College is closed, the date will be moved forward to the next day the College is open.

The number of calendar days used to calculate refunds will be pro-rated for terms that vary in length from the traditional term.

If a student attends one class of the second course in a two-block sequence, the student is not eligible for a refund. A student who never attends the second course in the sequence will receive a 100 percent refund for that course.

Non-federal financial aid recipients will have the refund amount returned to the sponsoring agencies/programs in the following priority, not to exceed the awarded amount:

1. Private (Alternative) Loan
 2. Sponsorships
 3. Tuition Waivers
 4. SCC Scholarships
 5. Outside or Community Scholarships
6. LIFE Scholarship
 7. S.C. Need Based Grant
 8. Other aid or assistance
 9. Lottery Tuition Assistance

III. Return of Federal Financial Aid

A student's federal financial aid eligibility must be recalculated for students who withdraw, drop out, are dismissed or take a leave of absence prior to completing 60 percent of a term. A student enrolled in at least one class during the full term will have the recalculation for all classes based on the date for the full term.

The recalculation of eligibility is based on the percent of earned aid using the following formula:

$$\text{Percent of earned aid} = \frac{\text{Number of calendar days attended in the semester}}{\text{Total number of calendar days in the semester}}$$

Federal financial aid must be returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned – (100% - percent of aid earned) X the amount of federal financial aid disbursed.

The amount of aid to be returned is the responsibility of the College and the student. However, the student will be responsible for repaying the College for the amount that the College was required to return on his or her behalf less any refund that the student is eligible for under Section II. Therefore, a student who does not complete at least 60 percent of a term will owe a repayment to the College and/or the federal government for the amount of unearned federal financial aid.

A student who owes the College may not be permitted to register for a subsequent term or obtain an official academic transcript until the debt is paid. Payment should be made to the business office. A student who owes the federal government may be reported to the U.S. Department of Education and be required to provide documentation of a satisfactory payment arrangement before federal or state financial aid eligibility is restored.

Success Network

Success Network is an academic support program available to eligible SCC students. The goals of Success Network are to help students stay in school, graduate with college degrees, and continue their education by transferring to four-year colleges and universities. Success Network offers many academic-related services such as tutoring, assistance with study skills, college transfer planning, campus visits to four-year colleges, peer mentoring, assistance with career development needs, financial literacy information, cultural enrichment activities, and membership in the Success Network Club. Services are provided at no cost to students.

Because Success Network is funded by a federal grant and has limited enrollment, students must meet certain eligibility criteria to become members of Success Network. To be eligible, a student must:

Suspension for Non-Academic Reasons

A student suspended from Spartanburg Community College for non-academic reasons will be notified in writing of the length of the suspension. For non-academic violations of conduct see the "Student Code" section within this publication.

Tardies

Tardy students will be admitted to class only at the discretion of the instructor. A student is considered tardy if he/she is not in the classroom at the time the class is scheduled to begin (unless otherwise designated by the instructor).

Telephones

Public Telephones: Courtesy telephones are located near the canteen or vending areas in each building. Courtesy TDD's for the hearing impaired are located in the East, West and Ledbetter buildings, and in the Tracy Gaines Learning Resource Center.

Calls for Students: Class interruptions are discouraged. Students are contacted only under emergency conditions. See section on emergencies. Calls for students are handled by student records during the day. Admissions or evening services will coordinate calls received at night. Calling the main SCC number, (864) 592- 4600, will connect you with the appropriate department.

Contacting Students for Emergencies: Classes are only interrupted in the case of emergency, usually health or safety related. If the caller does not wish to divulge the nature of the emergency it is difficult to determine the appropriate response. If student records is unable to contact the division, campus police/security will attempt to contact the student. The student may be asked to come immediately to the student records office or may be given a written message depending on the urgency. After 5:00 p.m., evening services will also be asked to help locate the student.

Testing Center

The SCC Testing Center provides faculty and students a convenient, secure, and distraction-free environment conducive to a positive testing experience. Housed in the East Building (room E3) on the central campus, the Center offers a range of assessment services including make-up testing and proctored online testing for students at SCC as well as those from other colleges nationally. Instructors/students in need of further information should visit the website at www.scc.edu/resources/testing. Hours of operation for the central campus are posted in the Center each semester and on the website. Comparable testing

services are also available at the SCC Cherokee County Campus (call 864-206-2713), SCC Downtown Campus (call 864-592-4050), SCC Tyger River Campus (864-592-6190), and Union County Advanced Technology Center (864-466-1060) all by appointment.

Transferring Credits to SCC

A student who wishes to transfer college credits from another educational institution to Spartanburg Community College should submit an official transcript for evaluation. Unofficial copies of transcripts will not be evaluated. The College registrar manages the process to ensure timely evaluation.

Courses transferred must closely parallel program requirements for credit to be awarded. In some cases, elective credit may be granted for transfer courses which do not parallel Spartanburg Community College program requirements. Varying time limits for acceptance of transfer credit may apply in some programs.

Transfer credits granted will compute as hours earned toward total credit hours required for graduation. These credits are denoted on the Spartanburg Community College transcript by a "TR" grade.

Credit is normally accepted only from colleges accredited by the Southern Association of Colleges and Schools or by any of the other parallel regional accrediting agencies, with the approval of the department chair and academic dean. Spartanburg Community College grants transfer credit for United States Armed Forces Institute (USAFI) courses and for military schools attended.

Spartanburg Community College requires that students must complete at least 25 percent (25%) of their program semester hours through instruction offered by the College in order to receive a degree from Spartanburg Community College. Students may earn exemption credit for programs excluding this 25 percent (25%) requirement. The College allows a maximum of 75 percent (75%) transfer credit for parallel coursework in the program of study.

Students may earn additional credit after acceptance in a program on the following basis: advanced placement and articulation for courses completed at the secondary level, credit by examination and experiential learning. (See Exemption Policy, pages 82 – 84.)

Transitional Studies

The Transitional Studies Department offers a variety of courses to enhance students' academic abilities. Most of the courses in Transitional Studies are basic skills courses in grammar, writing, reading and mathematics. Other course offerings in the department include "bridging" courses and pre-entry courses.

Basic Skills Courses

Transitional Studies basic skills courses are offered both day and evening. Most classes are offered in a traditional "lecture" format; however some classes may include a variety of programmed instructional materials. Basic skills courses (zero-level) carry institutional credit but cannot be used to satisfy program requirements for graduation. The zero-level course numbers do not indicate levels of difficulty.

"Bridging" Courses

Transitional Studies "bridging" courses are designed specifically to help students acquire additional skills and discipline in order to be successful in curriculum courses. "Bridging" courses are taught in a lecture format and include a greater degree of academic rigor than basic skills courses. These courses are also non-degree credit (they may or may not be credited toward graduation for a diploma or certificate program, but they cannot be credited toward graduation for a degree program).

Pre-entry Courses

Some of the College's curriculum programs require that students meet certain entry requirements prior to acceptance into the program. Most students will have met these requirements in high school or at another college. However, in some cases the student may lack a specific course which is required for entry into a curriculum. Transitional Studies offers several courses which enable students to meet these entry requirements. These courses are non-degree credit courses (they may or may not be credited toward graduation for a diploma or certificate program, but they cannot be credited toward graduation for a degree program).

The Rita Allison Learning Center (TLC)

Located in the East Building in Rooms E2, E5 and E6, The Rita Allison Learning Center (TLC) at SCC combines several student support functions in a convenient, centralized location on the central campus. The TLC offers students academic support via one-on-one and group tutorials in many academic subjects, as well as an open computer lab with skilled assistance in CPT classes and software use. No appointment is necessary; walk-ins are assisted on a first-come basis. Instructors are urged to schedule a class visit for orientation to the TLC early in the semester to encourage students to use the Center's services often. To schedule a class orientation, please call (864) 592-4715. The TLC provides academic tutoring in mathematics, English, accounting, Spanish and the sciences. The Center also provides 50 computers for academic use, equipped with Microsoft Office software (including Excel, Access, Publisher, PowerPoint, and Word), course-specific software, high speed Internet connections with access to library databases, C++, C#, and Visual Basic. Withdrawal from a Course/Term/College

There are three types of withdrawals, BUT the process for assigning a grade remains the same.

- *Withdrawal from a Course* – If you withdraw from a course after the add/drop period, you will receive a "W." If you are receiving financial aid, you should contact the financial aid office prior to withdrawal from a course. You may withdraw from a course through web advisor or by submitting a drop form to student records prior to the drop deadlines established by the College. Faculty signatures are not required to drop courses.
- *Term Withdrawal* – You are term withdrawn for one term when all courses for that term are dropped.
- *From the College* – If you do not attend the College for three consecutive terms you will be administratively withdrawn from the College by the student records office. If you have been withdrawn from the College, you must go through the admissions process to be re-instated. If you are re-instated, you are required to meet current program requirements under the catalog for the term in which you are re-instated.

Appendix I

The Student Code for Spartanburg Community College

The Student Code for Spartanburg Community College is based on the Student Code for the South Carolina Technical College System.

General Provisions

I. Principles

Technical College students are members of both the community at large and the academic community. As members of the academic community, students are subject to the obligations that accrue to them by virtue of this membership. As members of the larger community of which the College is a part, students are entitled to all rights and protection accorded them by the laws of that community.

By the same token, students are also subject to all laws; the enforcement of which is the responsibility of duly constituted authorities. When students violate laws, they may incur penalties prescribed by legal authorities. In such instance, College discipline will be initiated only when the presence of the student on campus will disrupt the educational process of the College. However, when a student's violation of the law also adversely affects the College's pursuit of its recognized educational objectives, the College may enforce its own regulations. When students violate College regulations, they are subject to disciplinary action by the College whether or not their conduct violates the law. If a student's behavior simultaneously violates both College regulations and the law, the College may take disciplinary action independent of that taken by legal authorities.

The Student Code for South Carolina Technical Colleges sets forth the rights and responsibilities of the individual student.*

II. Solutions of Problems

The College will seek to solve problems by internal procedures of due process. When necessary, off-campus law enforcement and judicial authorities may be involved.

In situations where South Carolina Technical Colleges have shared programs, the Chief Student Services Officer where the alleged violation of the Student Code for the South Carolina Technical College System occurred will handle the charges. A change of venue to the other College may be granted, based on the nature of the offense, provided it is agreed to by the Chief Student Services Officers of both Colleges. Any sanctions imposed will apply across both Colleges.

*SCC defines academic integrity as both the practice and commitment to defending academic honesty, personal responsibility, and respect for one's own and others' intellectual work. SCC expects every member of the College community to support, promote and enforce academic integrity, which is fundamental to the mission of the College.

In situations where a student is dually enrolled in 2 or more South Carolina Technical Colleges and is charged with a violation of the Student Code for the South Carolina Technical College System, the Chief Student Services Officer of the College where the alleged infraction occurred will handle the charges and the sanctions may apply at each College in which the student is enrolled.

Student Code

I. General Rights of Students

- A. Nondiscrimination - There shall be no discrimination in any respect by the College against a student, or applicant for admission as a student, based on race, color, age, religion, national origin, sex or disability.
- B. Freedom of Speech and Assembly - Students shall have the right to freedom of speech and assembly without prior restraints or censorship subject to clearly stated, reasonable, and nondiscriminatory rules and regulations regarding time, place and manner.

Students desiring to conduct an assembly must submit a request to the president, or other designated College official, requesting a specific date, time, location, and manner no later than 15 working days prior to the date of the desired event.

The request will be approved, amended or denied no more than 10 working days prior to the desired event.

C. Freedom of the Press - In official student publications, they are entitled to the constitutional right of freedom of the press, including constitutional limitations on prior restraint and censorship. To ensure this protection, the College shall have an editorial board with membership representing SGA, faculty and administration. Each College has the responsibility of defining the selection process for its editorial board. The primary responsibility of the board shall be to establish and safeguard editorial policies.

D. Protection Against Unreasonable Searches and Seizures - Students are entitled to the constitutional right to be secure in their persons, dwellings, papers and effects against unreasonable searches and seizures. College security officers or administrative officers may conduct searches and seizures only as authorized by law.

E. Student Representation in College Governance - Students should be represented on campus committees that have the following duties:

1. To propose policy that affects student activities and conduct.
2. To make policy decisions on such matters.
3. To implement policy.

F. Classroom Behavior - Discussion and expression of all views relevant to the subject matter is recognized as necessary to the educational process, but students have no right to interfere with the freedom of instructors to teach or the rights of other students to learn.

The instructor sets the standards of behavior acceptable in the classroom by announcing these standards early in the term. If a student behaves disruptively in class after the instructor has explained the unacceptability of such conduct, the instructor may dismiss the student for the remainder of that class period.

The instructor shall initiate a discussion with the student to resolve the issue prior to the next class meeting. A further disruption by the student may result in a second dismissal and referral in writing by the faculty member to the chief student services officer. These procedures for classroom behavior do not limit the action that may be taken for proscribed conduct under Section III herein and instructors may dismiss students from class for the remainder of the class period for such conduct. Students remain subject to other sanctions hereunder for such conduct.

G. Evaluation and Grading - Instructors will follow the announced standards in evaluating and grading students.

Grades are awarded for student academic achievement. No grade will be reduced as a disciplinary action for student action or behavior unrelated to academic achievement.

H. Privacy - Information about individual student views, beliefs and political associations acquired by instructors, counselors or administrators in the course of their work is confidential. It can be disclosed to others only with prior written consent of the student involved or under legal compulsion.

I. Records

1. General

The student records office will maintain and safeguard student records. All official student and former student records are private and confidential and shall be preserved by the College. Separate record files may be maintained for the following categories: (1) academic, (2) medical, psychiatric and counseling, (3) placement, (4) financial aid, (5) disciplinary, (6) financial, and (7) veterans affairs.

2. Confidentiality of Records

Before information in any student file may be released to anyone, the student must give prior written consent except in those instances stated below:

- a. To instructors and administrators for legitimate educational purposes.
- b. To accrediting organizations to carry out their functions.
- c. To appropriate parties to protect the health and safety of students or other individuals in emergencies with the understanding that only information essential to the emergency situation will be released.
- d. The chief student services officer may release directory information as authorized by the College through federal and state privacy legislation.
- e. If the inquirer has a court order, the chief student services officer or someone designated by that official will release information from the student's file.

3. Disciplinary Records

Records of disciplinary action shall be maintained in the office of the chief student services officer. No record of disciplinary action shall be entered or made on the student's academic records.

4. Treatment of Records after Student Graduation or Withdrawal

When students withdraw or graduate from a technical College, their records shall continue to be subject to the provisions of this code.

II. Student Government and Student Organizations

A. Student Government Associations

The College Student Government Association's constitution, as approved by the area commission, establishes the governance structure for students at a College.

Amendments to the constitution require approval as stipulated in each Student Government Association constitution.

B. Student Organizations

An essential prerequisite for a student organization to be approved is that it has educational importance and that its objectives be clearly explained in a proposed charter.

The formation of organizations strictly as social clubs should be discouraged. Prior to consideration for approval as an organization, an organization constitution or bylaws must be prepared, and a person must be identified who is willing to serve as advisor, and the names of charter members must be submitted.

III. Proscribed Conduct

A. General

Certain conduct is proscribed and upon violation of such proscriptions, a student shall be subject to one or more of the sanctions specified in Section IV.D.2.c. However, it is expected that the more severe sanctions of suspension and expulsion will be imposed sparingly and only for more extreme or aggravated violations or for repeated violations.

B. Abuse of Privilege of Freedom of Speech or Assembly

No student, acting alone or with others, shall obstruct or disrupt any teaching, administrative, disciplinary, public service, research or other activity authorized or conducted on the campus of the College or any other location where such activity is conducted or sponsored by the College. This disruption does not necessarily have to involve violence or force for the student to face disciplinary actions. In addition to administrative action, any person who violates the law will be turned over to the appropriate authorities.

In the event of illegal or disruptive activity on a College campus, the chief student services officer or other administrative officer will request those involved either to leave the campus or abide by regulations governing uses of, or presence on, the campus. The chief student services officer or other official will further announce that failure to disperse will result in enforcement of Section 16-17-420 of the South Carolina Code of Laws pertaining to illegal or disruptive activity on a College campus. According to South Carolina law, "it shall be unlawful for any person willfully or unnecessarily (a) to interfere with or disturb in any way or in any place the students or teachers of any school or College in this state, (b) to enter upon any such school or school premises, (c) to loiter around the premises, except on business, without the permission of the principal or president in charge, or, (d) to act in an obnoxious manner thereon." (Section 16-17-420 part 2 of South Carolina Code of Laws).

C. Academic Misconduct

All forms of academic misconduct including, but not limited to, cheating on tests, plagiarism, collusion, and falsification of information will call for discipline. Alleged violations will be handled according to the procedures presented in Section IV.B.

1. Cheating on tests is defined to include the following:

- a. Copying from another student's test or answer sheet.
- b. Using materials or equipment during a test not authorized by the person giving the test.
- c. Collaborating with any other person during a test without permission.
- d. Knowingly obtaining, using, buying, selling, transporting or soliciting in whole or in part the contents of a test prior to its administration.
- e. Bribing or coercing any other person to obtain tests or information about tests.
- f. Substituting for another student, or permitting any other person to substitute for oneself.
- g. Cooperating or aiding in any of the above.

2. "Plagiarism" is defined as the appropriation of any other person's work and the unacknowledged incorporation of that work in one's own work.*

3. "Collusion" means knowingly assisting another person in an act of academic dishonesty.

4. Fabrication is defined as falsifying or inventing information in such academic exercises as reports, laboratory results and citations to the sources of information.

D. Falsification of information, and other unlawful acts, with intent to deceive is defined as:

1. Forgery, alteration or misuse of College documents, records or identification cards.

E. Infringement of rights of others is defined to include, but not limited to, the following:

1. Physical or verbal abuse inflicted on another person.
2. Severe emotional distress inflicted upon another person.

*Plagiarism occurs when a student "uses words, ideas or work products" that are someone else's, and when the original source is "identifiable," and the student presents them as his own words, ideas or work products, without giving the source credit while expecting a "benefit, credit or gain." Source: Fearn, Hannah. "Is It Plagiarism? Well, It Is Rather Difficult to Say." Times Higher Education. The (London) Times. July 1, 2010.

3. Theft, destruction, damage or misuse of the private property of members of the College community or non-members of the College community occurring on campus or off campus during any College approved activity.
 4. Sexual harassment inflicted on another person. This is defined as sexual discrimination where the harassing conduct created a hostile environment. Therefore, unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when the conduct is sufficiently severe, persistent or pervasive to limit an individual's ability to participate in or benefit from the education program or to create a hostile or abusive educational environment.
 5. Stalking, defined as engaging in a course of conduct that would place a reasonable person in fear for their safety, and that has, in fact, placed an individual in such fear.
- F. Other unlawful acts which call for discipline include, but are not limited to:
1. Destruction, theft, damages or misuse of College property occurring on or off campus.
 2. Unauthorized entry upon the property of the College after closing hours.
 3. Unauthorized presence in any College facility after hours.
 4. Unauthorized possession or use of a key to any College facility or other property.
 5. Possession or use on campus of any firearm or other dangerous weapon or incendiary device or explosive unless such possession or use has been authorized by the College.
 6. Possession, use, or distribution on campus of any narcotics, dangerous, or unlawful drugs as defined by the laws of the United States or the State of South Carolina.
 7. Possession, use, or distribution on campus of any beverage containing alcohol.
 8. Violation of institutional policies while on campus or off campus when participating in a College sponsored activity.
 9. Violation of South Carolina and/or federal laws while on campus or off campus when participating in a College sponsored activity.
 10. Engaging in any activity that disrupts the educational process of the College, interferes with the rights of others, or adversely interferes with other normal functions and services.

IV. Rules of Student Disciplinary Procedure and Sanctions

The sanctions that follow are designed to channel faculty, staff or student complaints

against students. Due process of law is essential in dealing with infractions of College regulations and state and federal statutes. Consequently, any disciplinary sanction imposed on a student or organization will follow the provisions of this code.

A. Administrative Suspension

1. If an act of misconduct threatens the health or well being of any member of the academic community or seriously disrupts the function and good order of the College, an administrative officer may direct the student involved to cease and desist such conduct and advise the student that failing to cease and desist may result in immediate administrative suspension. If the student fails to cease and desist, or if the student's continued presence constitutes a danger, the President of the College, or his/her designee, may temporarily suspend the student from the College pending the outcome of a disciplinary hearing on the charge(s).
2. The president, or his/her designee, shall notify the chief student services officer in writing about the nature of the infraction and the name of the student before 5:00 p.m. of the first class day following its imposition of the administrative suspension. The chief student services officer will inform the student, in writing, about the decision. This written notice will be hand-delivered to the student or sent by certified mail within two working days of receiving the information from the president or his/her designee.

B. Academic Misconduct

1. An instructor who has reason to believe that a student enrolled in his/her class has committed an act of academic misconduct must meet with the student to discuss this matter. The instructor must advise the student of the alleged act of academic misconduct and the information upon which it is based. The student must be given an opportunity to refute the allegation.
2. If the instructor, after meeting with the student, determines that the student has engaged in academic misconduct as alleged, the instructor will inform the student about the decision and the academic sanction that will be imposed. The instructor may impose one of the following academic sanctions:
 - a. Assign a lower grade or score to the paper, project, assignment or examination involved in the act of misconduct.
 - b. Require the student to repeat or resubmit the paper, project, assignment or examination involved in the act of misconduct.
 - c. Assign a failing grade for the course.
 - d. Require the student to withdraw from the course.
3. If the student is found responsible for the academic misconduct, within five working days of the meeting, the instructor will submit a written report about the incident and the sanction imposed to the chief instructional officer.
4. The chief instructional officer, or designee, will send a letter to the student summarizing the incident, the finding, the terms of the imposed sanction, and informing the

student that he/she may appeal the decision and/or the sanction by submitting a written request to the chief instructional officer within seven working days of the date of the chief instructional officer's letter.

5. If the student requests an appeal, the chief instructional officer, or designee, will schedule a time for the meeting. The chief instructional officer, or designee, will send a certified letter to the student. In addition to informing the student that the chief instructional officer, or designee, will hear the appeal, this letter must also contain the following information:

- a. A restatement of the charges
- b. The time, place, and location of the meeting
- c. A list of witnesses that may be called
- d. A list of the student's procedural rights. These procedural rights are presented in the Student Code and Grievance Procedure, Section V.A.1.e.

6. On the basis of the information presented at the appeal, the chief instructional officer, or designee, will render one of the following decisions:

- a. Accept the decision and the sanction imposed by the instructor
- b. Accept the instructor's decision but impose a less severe sanction
- c. Overturn the instructor's decision

7. The chief instructional officer, or designee, will send the student a letter within two working days of the meeting. This letter will inform the student of the decision and inform the student that the decision can be appealed to the president of the College by sending a letter detailing the reasons for the appeal to the president's office within five working days.

8. After receiving the student's request, the president will review all written materials relating to this incident and render one of the following decisions. The president's decision is final and cannot be appealed further.

- a. Accept the decision and the sanction imposed
- b. Accept the decision but impose a less severe sanction
- c. Overturn the decision
- d. Remand the case to the Student Appeals Committee to re-hear the case according to the procedures listed in section IV.D and section V.

C. Student Misconduct

1. A charge involving a student infraction must be filed in writing at the office of the chief student services officer within five working days after the alleged infraction or after such infraction becomes known to an administrative officer of the College.

2. Within five working days after the charge is filed, the chief student services officer, or designee, shall complete a preliminary investigation of the charge and schedule immediately a meeting with the student. After discussing the alleged infraction with the student, the chief student services officer, or designee, may act as follows:

- a. Drop the charges
 - b. Impose a sanction consistent with those shown in Section IV.D.2.c, Student Appeals Committee
 - c. Refer the student to a College office or community agency for services
3. The decision of the chief student services officer, or designee, shall be presented to the student in writing within five working days following the meeting with the student. In instances where the student cannot be reached to schedule an appointment, or where the student refuses to cooperate, the chief student services officer, or designee, shall send a certified letter to the student's last known address, providing the student with a list of the charges, the chief student services officer's, or designee's decision, and instructions governing the appeal process.
4. A student who disagrees with the decision may request a hearing before the Student Appeals Committee. This request must be submitted within two working days after receipt of the decision unless a request is made and approved for an extension of time. D. The Student Appeals Committee

Each College shall have a Student Appeals Committee (hereafter referred to as the Committee) to consider the case of a student who declines to accept the findings of the chief student services officer. The hearing shall be held within 15 working days after the student has officially appealed the decision of the chief student services officer.

1. Membership of the Committee shall be composed of the following:

2. Functions of the Committee are described as follows:
 - a. To hear an appeal from a student charged with an infraction that may result in disciplinary action.
 - b. To hand down a decision based only on evidence introduced at the hearing.
 - c. To provide the student defendant with a statement of the committee's decision including findings of fact and if applicable, to impose one or more of the following sanctions:

1. Academic Misconduct

- a) Assign a lower grade or score to the paper, project, assignment or examination involved in the act of misconduct.
- b) Require the student to repeat or resubmit the paper, project, assignment or examination involved in the act of misconduct.
- c) Assign a failing grade for the course.

V. Procedures for Hearings before the Student Appeals Committee

A. Procedural Duties of the Chief Student Services Officer

1. At least seven working days prior to the date set for hearing before the Committee, the chief student services officer shall send written notice to all involved and a certified letter to the student's last known address providing the student with the following information:

- a. A restatement of the charge or charges.
- b. The time and place of the hearing.
- c. A list of all witnesses who might be called to testify.
- d. The names of Committee members.
- e. A statement of the student's basic procedural rights. These rights follow:

1. The right to counsel. The role of the person acting as counsel is solely to advise the student. The counsel shall not address the Committee. Payment of legal fees is the responsibility of the student.

2. The right to produce witnesses on one's behalf.
 3. The right to request, in writing, that the president disqualify any member of the committee for prejudice or bias. (At the discretion of the president, reasons for disqualification may be required.). A request for disqualification, if made, must be submitted at least two working days prior to the hearing. If such disqualification occurs, the appropriate nominating body shall appoint a replacement to be approved by the president.
 4. The right to present evidence. The Committee may determine as to what evidence is admissible.
 5. The right to know the identity of the person(s) bringing the charge(s).
 6. The right to hear witnesses on behalf of the person bringing the charges.
 7. The right to testify or to refuse to testify without such refusal being detrimental to the student.
 8. The right to appeal the decision of the Committee to the president who will review the official record of the hearing. The appeal must be in writing and it must be made within seven working days after receipt of the decision.
2. On written request of the student, the hearing may be held prior to the expiration of the seven-day advance notification period, if the chief student services officer concurs with this change.

B. The Conduct of the Committee Hearings

1. Hearings before the Committee shall be confidential and shall be closed to all persons except the following:
 - a. The student and the person who initiated the charges; however, the hearing may be conducted without either party present if either party ignores the notice of the hearing and is absent without cause.
 - b. Counsels for the student and the College.
 - c. A person, mutually agreed upon by the student and the Committee, to serve in the capacity of recorder.
 - d. Witnesses who shall:
 1. Give testimony singularly and in the absence of other witnesses.
 2. Leave the committee meeting room immediately upon completion of the testimony.

2. The Committee shall have the authority to adopt supplementary rules of procedure consistent with this code.
3. The Committee shall have the authority to render written advisory opinions concerning the meaning and application of this code.
4. The conduct of hearings before this Committee is unaffected by charges of local, state or federal authorities against the student for acts that are the same, or similar to, charges of misconduct to be heard by the Committee. Two separate jurisdictions are involved in such cases. Therefore, hearings may be held and decisions rendered independent of any resolution by the court system.
5. In addition to written notes, the hearing may be tape recorded, except for the Committee's deliberations. After the conclusion of the hearing, the tape will be kept in the office of the chief student services officer. The student may listen to the tape of his/her hearing under the supervision of the chief student services officer or designee. The student is not entitled to a copy of the tape or a written transcript of the hearing.
6. Upon completion of a hearing, the Committee shall meet in executive session to determine concurrence or non-concurrence with the original finding and to impose sanctions, if applicable.
7. Decisions of the Committee shall be made by majority vote.
8. Within two working days after the decision of the Committee, the chair-person shall send a certified letter to the student's last known address providing the student with the committee's decision and a summary of the rationale for the decision.

C. Appeal to the President

When the student appeals to the president, the president, whose decision is final, shall have the authority to:

1. Receive from the student an appeal of the Committee's decision.
2. Review the findings of the proceedings of the Committee.
3. Hear from the student, the chief student services officer, and the members of the Committee before ruling on an appeal.
4. Approve, modify, or overturn the decision of the Committee.
5. Inform the student in writing of the final decision within ten working days of the receipt of the appeal.

Appendix II

The Student Grievance Procedure for Spartanburg Community College

It is the policy of Spartanburg Community College that all students shall be afforded the opportunity to present complaints/grievances and seek answers without fear of restraint, interference, coercion, discrimination or reprisal. The College shall also be governed by the guidelines of the Student Code and Grievance Procedure for South Carolina Technical Colleges, and practices with guarantee due process.

I. Purpose

The purpose of the student grievance procedure is to provide a system to channel student complaints against faculty or staff, concerning the following:

- A. Alleged discrimination on the basis of age, gender, race, disability or veteran's status, excluding sexual harassment complaints. Because of the sensitive nature of this type of complaint, a conference with the chief student services officer may replace the first step of the grievance procedure. The chief student services officer will counsel with the student to determine the appropriate action that is required.
- B. Alleged sexual harassment complaints should be directed to the chief student services officer. Because of the sensitive nature of this kind of complaint, a conference with the chief student services officer will replace the first step of the grievance procedure. The chief student services officer will counsel with the student to determine the appropriate action that is required.

If the grievance is not resolved after this meeting, then the remainder of the grievance procedure will be followed.

- C. Academic matters, excluding individual grades except when the conditions in items A or B above apply.

II. Definitions

- A. "College" means any College in the South Carolina Technical College System.
- B. "President" means the chief executive officer of the College.
- C. "Administrative officer" means anyone designated at the College level as being on the administrative staff such as the president, chief academic officer, chief student services officer, etc.
- D. "Chief student services officer" means the administrative officer at the College who has overall management responsibility for student services or his/her designee.

- E. "Chief instructional officer" means the administrative officer at the College who has overall management responsibility for academic programs and services or his/her designee.
- F. "Student" means a person taking any course(s) offered by the College.
- G. "Instructor" means any person employed by the College to conduct classes.
- H. "Staff" means any person employed by the College for reasons other than conducting classes.
- I. "Campus" means any place where the College conducts or sponsors educational, public service or research activities.

III. Procedures

A. First Step

The student must go to the instructor or staff member where the alleged problem originated. An attempt will be made to resolve the matter equitably and informally at this level. The conference must take place within ten instructional weekdays of the incident that generated the complaint.

B. Second Step

If the student is not satisfied with the outcome of the informal conference, the student may file a written grievance. The chief student services officer, or designee, shall make a grievance form available to the student and explain the grievance process to the student.

The completed grievance form must be presented to the chief student services officer, or designee, within ten instructional weekdays after satisfying the first step in the grievance process. The chief student services officer, or designee, shall give written acknowledgment of receipt of the grievance form. This acknowledgment shall be given immediately or not later than two instructional weekdays after receipt of the student's grievance form. The chief student services officer, or designee, will then refer the grievance to the immediate supervisor involved. The supervisor shall respond in writing to the student within ten instructional weekdays of receipt of the grievance form. As a part of the effort to resolve the issue, the supervisor will consult with the accused and chief administrative officer of the division or component concerned.

C. Third Step

If the supervisor's written response does not resolve the matter, the student may request to appear before the Student Grievance Committee. The student must submit a written request within five instructional weekdays after receiving the supervisor's written response. The request shall include a copy of the original grievance form and the reason why the supervisor's response was unsatisfactory. The student must

attach a copy of the supervisor's response to the request. The chief student services officer shall immediately notify the president who shall ensure that the Committee is organized in a manner consistent with Section IV.A of this procedure. The chief student services officer, or designee, will send copies of the appeal to the members of the Committee, the employee, and the employee's supervisor. The employee against whom the grievance was filed shall be given an opportunity to respond in writing to the chairperson of the Committee.

The Student Grievance Committee's meeting(s) shall be conducted between five and fifteen instructional weekdays following the date of the request. The chairperson may grant a postponement if either party submits a written request no later than five instructional weekdays prior to the scheduled meeting.

D. Fourth Step

If either party is not satisfied with the Committee's decision, that person may submit an appeal to the president of the College within ten instructional weekdays of the Committee's decision.

The president shall review the Committee's findings, conduct whatever additional inquiries are deemed necessary and render a decision within ten instructional weekdays of receipt of the appeal. The president's decision is final.

IV. The Student Grievance Committee

A. The Student Grievance Committee shall be composed of the following:

1. Three students recommended by the governing body of the student body.
2. Two faculty members recommended by the chief instructional officer.
3. One Student Services staff member recommended by the chief student services officer.
4. One administrator, other than the chief student services officer, to serve as the Committee's chairperson.
5. The chief student services officer, or designee, who serves as an ex-officio, non-voting member of the committee.
6. The president must approve all recommended members.

B. Purpose and Function of Grievance Committee

1. All student grievance committees are ad hoc and shall be formed to hear specific complaints. A new committee may be formed every time that a grievance covered under this procedure is filed.
2. Whenever a committee is formed, it may adopt additional rules and guidelines not in contradiction with these procedures.

C. Rights of the Parties Involved in a Grievance

When a grievance committee meeting is scheduled, the parties involved are entitled to:

1. A written notice of the complaint that shall be forwarded to all parties at least five instructional weekdays prior to the meeting unless the student filing the complaint waives this requirement. This notice shall include the following:
 - a. A brief description of the complaint, including the name of the person filing the complaint;
 - b. the date, time and location of the meeting; and
 - c. the name of any person who might be called as a witness.
2. Review all available evidence, documents or exhibits that each party may present at the meeting. This review must take place under the supervision of the chief student services officer or his/her designee.
3. Appear in person, present information on his or her behalf, and present additional evidence to the committee, subject to the Committee's judgment that the evidence is relevant to the appeal.
4. Call witnesses who are dismissed after providing testimony and responding to questions posed by the Committee and either party in the appeal.
5. An advisor who shall not address the Committee or ask any witness a question. Payment of legal fees is the student's responsibility.

D. Hearing Procedures

1. Hearings are closed to the public. When testimony is being given, only the committee members, the student and his/her advisor, the employee and his/her advisor, and the witness giving testimony may be present. During deliberations, only the members of the Committee may be present.
2. Hearings are informal and a tape recording of the testimony presented during the appeal hearing may be made. The Committee's deliberations are not tape-recorded. After resolution of the appeal, the tape recording will be kept for three months in the office of the chief student services officer. Either party in the appeal may listen to this tape recording under the supervision of the chief student services officer or designee.
3. The Committee may question the student and the employee. The Committee may also question the employee's supervisor and any additional witnesses that it considers necessary to render a fair decision. Questions must be relevant to the issues of the appeal.
4. Both parties to the appeal may ask questions of the other during the meeting. These questions must be relevant to the issues of the appeal. The Chairperson of the Committee will determine the appropriateness of the questions.

5. The student shall bear the burden of proof.
6. The Committee shall decide the solution of the grievance by a majority vote. In case of a tie, the chairperson shall vote and thus break the tie.
7. The chairperson shall forward a copy of the Committee's decision to all parties involved and to the office of the president of the College within two instructional weekdays of the Committee's decision. This letter will include a rationale for the Committee's decision.
